Both par ties declared in favor of the movement, and a few months ago it seemed that the boxes were elaborately decorated with flags amendment would certainly be carried. Lately, however, considerable opposition has been aroused A committee consisting of a number of prominent men, headed by Senator Southworth, have issued an address summarizing the objections to the

abolition of the present system. They say, first of all, that either the state must assume the place of the contractors, or else the convicts must be supported in idleness at the expense of the taxpayer. If the former plan is adopted, the state will be an expense of from \$1,000,000 to \$2,000,000 at the outset in order to provide machinery, and competition with honest labor will not be lessened in the slightest degree. The second plan of supporting criminals in luxurious idleness
